Dear Counsel:

You all have civil trials scheduled to commence before me in October and November. In an effort to accommodate these trials, as well as my criminal calendar, I am asking you to adjust your trial schedules as indicated below. Obviously, if the parties in a case have resolved their dispute and have no need for a trial, please let me know immediately. Otherwise, if you and/or your critical witnesses are unavailable during the revised trial days, contact me via my court email to set up a telephone conference.

I am thanking you in advance for your cooperation in this regard.
